

Ankita Meghanathi

MERN Stack Developer

Professional Summary

Detail-oriented BCA student and hands-on MERN Stack Developer at Avadh Web, skilled in building responsive, production-ready web applications with React.js, Node.js, Express.js, and MongoDB. Strong grasp of REST API design, reusable component architecture, and modern responsive UI development. Looking to bring technical skill, curiosity, and a fast-learning mindset to a growth-focused software development team.

Technical Skills

Frontend: HTML5 · CSS3 · JavaScript · React.js · Bootstrap · Tailwind CSS

Backend: Node.js · Express.js

Database: MongoDB

Tools: Git · GitHub · VS Code · Canva

Experience

MERN Stack Developer

May 2026 – Present

Avadh Web

- Developing responsive full-stack web applications using the MERN stack.
- Building reusable, modern React.js components to speed up UI development.
- Designing and implementing REST APIs with Node.js and Express.js.
- Integrating MongoDB databases with backend services for reliable data handling.
- Collaborating with the team using Git & GitHub for version control.
- Debugging, testing, and optimizing applications for performance and reliability.

Projects

CampusNest – PG Accommodation Site

React.js · JavaScript · CSS · React Router

Responsive platform for students to explore PG rooms, facilities, pricing, and contact details via reusable components.

IPL Teams & Players Website

React.js · Material UI · JSON · React Router

Web app featuring team pages, player profiles, and batting/bowling stats with a fully responsive layout.

Personal Portfolio

HTML · CSS · JavaScript

Responsive personal site showcasing skills, projects, education, and achievements.

Login Authentication System

HTML · Bootstrap · JavaScript

Secure login and registration flow with client-side validation and Local Storage persistence.

Property Management System

HTML · CSS · JavaScript

Web-based system to manage property listings, tenants, and rent records with an interactive, responsive interface.

Education

Bachelor of Computer Applications (BCA)

2024 – 2027

M.M. Ghodasara College, Junagadh

Currently pursuing BCA with a strong focus on Web Development, Software Engineering, and MERN Stack technologies.
